***Sincerely,
The St. Jude Faith Formation Team***

It has been one of the great privileges of my life to work with the people of this parish. After over 11 years in ministry here at St. Jude, it is bittersweet to announce that I will be leaving on June 30th. I go on to continue the work of family faith formation for the organization of National Conference of Catechetical Leaders, the Catholic publisher Our Sunday Visitor and the ecumenical group Vibrant Faith.

In my absence Katie Neu will take on the role of Director of Lifelong Faith Formation. She will continue to work with families in faith formation, but in addition to that role she will take over this newsletter, and will manage the team. Denise Boisvert will take on the role of Director of Parish Outreach. She will take on tasks related to adult faith formation, including planning the annual Parish Mission. Please see the announcement below.

As a parting gift, recognizing my years with them, the St. Jude staff gave me the image above. It now hangs in my home office and I will think of you all every time I look at it. Please know you will be forever in my prayers!

*With heartfelt gratitude,
Denise Utter
Director of Parish Faith Formation*

Fun Catholic Things to Do This Summer

As you enjoy the summer
weather and time outdoors

with your family, be intentional about recognizing and thanking God for His gift of creation... take a nature walk and thank God for the trees, the tall grasses, the meadows, the birds, the animals... go to the beach and thank Him for the cool waters, the sand in between your toes and the warm sunshine, wherever you are, thank God for the beauty around you!

Visit the Shrine of Christ's Passion in St. John Indiana! The Shrine of the Christ's Passion is a multi-media interactive, half-mile winding Prayer Trail that depicts the last days of Jesus Christ's life. Forty life-size bronze sculptures in a tranquil setting, complete with beautiful music and amazingly sculptured gardens allow visitors to experience the story of the crucifixion and resurrection as never before! You can also see the 33 foot tall Our Lady of the New Millennium statue, and Moses & the 10 Commandments! <http://shrineofchristspassion.org/>

Attend a packing session at Feed My Starving Children! FMSC offers volunteers, as young as 5 years old, a one-of-a-kind experience. You'll hand-pack rice, soy, dried vegetables and a nutritionally complete blend of vitamins and minerals into bags which are then sealed, boxed, placed on pallets and shipped to our incredible partners working hard to reach the neediest children around the world. <https://www.fmsc.org/>

Summer is a great time to visit new Churches, especially when you are on vacation! It is fun to see how other communities worship! You can find Mass Times almost anywhere in the world at www.masstimes.org.

Visit <https://formed.org/> before your next family movie night or if you are looking for something great to binge watch! St. Jude has gifted you with free access to FORMED, a Catholic "Netflix"! Just create an account and enter our special code '8c62ef' for instant access to great Catholic content for kids, families, and adults!

Word on Fire's Pivotal Players**

CATHOLICISM THE PIVOTAL PLAYERS

A multi-part film series by Bishop Robert Barron that illumines saints, artists, mystics, and scholars who not only shaped the life of the Church but changed the course of civilization.

June 13th - ST. FRANCIS ...The Reformer

Rebuild my Church! That's the mission Christ gave to St. Francis and it's the perennial task of the Church in every age of its life. But how is the reform & renewal of the Church to be accomplished? The life of St. Francis demonstrates that Christ intends the foundations of true & lasting reform to be built on the solid rock that is the radical witness of the saints.

June 20th - ST. CATHERINE of SIENA....The Mystic

Is the physical world all there is? Is science the only path to ascertaining truth? St. Catherine of Siena witnesses to a higher world beyond the material. Though the fourteenth century mystic never studied theology, and never learned how to read or write, her life constitutes a powerful challenge to the flattened-out secularism of our time.

June 27th - G.K. CHESTERTON...The Evangelist

How does one engage a culture that is befuddled by Christ and suspicious of the Church? The life and witness of this nineteenth century literary convert shows that the fundamental disposition of effective evangelization is joy, and life in Christ is a day-to-day encounter with an abundant and surprising offer of grace.

Viewing and discussion will take
