

Confirmation Sponsor Guide

As you interact with your candidate, please model and encourage him/her to:

- ✓ Continue to develop a personal relationship with Jesus through prayer, Scripture, and faith sharing
- ✓ Participate fully and regularly in the Sacraments of Eucharist and Confession
- ✓ Continue to grow in knowledge of their faith and be able to articulate what they learn
- ✓ Discover and share their gifts with the parish and community

(These are the **primary goals** of Junior High Youth Ministry)

Setting Up Faith Sharing Opportunities:

If you are local and can meet in person, then you – the sponsor – should contact your candidate to schedule the day, time, and location of your time together. The discussion should last approximately 30 minutes, but – depending on your relationship – may last much longer. If you cannot meet in person with your candidate, then connect through phone calls or Skype.

Use the Scripture on the next page to

- ★listen for God speaking to you, guiding you, directing & encouraging you
- ★discuss the Scriptures and what it may mean for your life
- ★use the Scripture as a springboard to pray out loud with each other
