

# GREAT NEWS!

Sarah Gibbons will be joining the Faith Formation Team on September 10th as our new Coordinator of Family Faith Formation!

Let us welcome her to the St. Jude Faith Formation Team!

*Hello!*

*My name is Sarah Gibbons and I am very excited to be joining the Faith Formation Staff as the Coordinator of Family Faith Formation! I will be supporting families with children in Grades 1-6, as well as working with children preparing to receive sacraments. I have been involved with St. Jude Faith Formation since 2016 and at my home parish, I was involved in ministry as a catechist, Confirmation retreat leader, and I was a member of the Worship Commission. I graduated from Providence Catholic High School and participated in the Augustinian Youth Leadership Conferences in San Diego, CA and Pavia, Italy. These opportunities allowed me to connect with other Augustinians nationally and globally. I graduated with a B.A. in Theater from Lewis University, and serve as a board member for Heritage Theater Company. Prior to joining the staff at St. Jude, I worked in early childhood, elementary, and special education.*

*I am very close to my large, loving extended family and truly appreciate how much St. Jude is a welcoming family! I am an avid sports fan, enjoy theater, reading, and am always up for carpool karaoke! I look forward to meeting you and being part of this incredible faith formation team and journeying with your family to discover God's love present in our everyday life!*

Teen volunteers do not need to attend, but are most welcome!
